#### INTENSITY

#### AVAILABLE AS ESPRESSO, AMERICANO, LATTE

##### Nespresso Vanilio

**6** Vanilla Flavoured Coffee. A balanced harmony between the rich and the velvety aromas of vanilla and the mellow flavour of the Livanto Grand Cru. A blend distinguished by its full flavour, infinitely smooth and silky on the palate.

##### Nespresso Arpeggio

**9** Arpeggio takes its distinctive character and full body from a blend of Central and South American Arabicas. The long roasting allows each aspect to develop into an intense bouquet, combining cocoa and roasted notes.

##### Nespresso Ristretto

**10** Strong in flavour and body, Ristretto combines the best South American Arabicas, from countries such as Colombia and Brazil, with great East African Arabicas, famous for their citrus aromas with a touch of Robusta for added zing. The slow split roasting of the beans creates a contrasting bouquet, bringing together subtle fruity and acid notes, with intensely roasted and chocolate ones.
